Width:

1.650 inches

Thickness:

0.020 inches

Length:

2.250 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Partial legend aircraft d.C. Starter-generator spec. No. --- type --- model no. --- stock no. --- order no. --- mfr.Date --- wt.Lbs --- star 1st side

Color:

Black inscription background

Material:

Aluminum alloy

Material Specification:

Qq-a-250/1, alloy 1100, h14 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
