Width:

6.240 inches

Thickness:

0.187 inches

Length:

7.760 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Armament circuit breakers 1st side

Color:

White inscription background

Material:

Plastic acrylic

Material Specification:

Mil-p-5425, finish a military specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0

Mil-std (military Standard):

Mil-p-5425 spec.
