Width:

0.625 inches

Thickness:

0.025 inches

Length:

1.219 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Sight unit, m34a1 consisting of adapter, m9 mount telescope, m79 telescope, elbow, m62a1c 1st side

Color:

Natural inscription

Material:

Copper alloy

Material Specification:

Qq-b-611, cond 1/2 hard-cancelled federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
