Width:

2.620 inches

Thickness:

0.020 inches

Length:

3.000 inches

Attachment Method:

Adhesive

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

W/mfr ident data 1st side

Features Provided:

Pressure sensitive adhesive tape

Color:

Black inscription background

Material:

Aluminum alloy

Material Specification:

Qq-a-250/1, alloy 1100, 0 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
