Width:

1.375 inches

Thickness:

0.030 inches

Length:

4.000 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

W/responsible agency data 1st side

Color:

Black inscription background

Material:

Aluminum alloy

Material Specification:

Qq-a-250 federal specification single material response

Surface Treatment:

Anodize

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
