**Width:**

0.875 inches

**Thickness:**

0.003 inches

**Length:**

3.062 inches

**Attachment Method:**

Hole

**Environmental Protection:**

Corrosion resistant

**Basic Shape Style:**

Rectangular

**Marking Designation:**

Legend 1st side

**Inscription:**

Computer, air data, part no., serial no., contract no., stock no., mfr data 1st side

**Color:**

Black inscription

**Material:**

Aluminum alloy

**Material Specification:**

Qq-a-250/1, alloy 1100 federal specification single material response

**Surface Treatment:**

Anodize

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A528w0
