Width:

1.375 inches

Thickness:

0.031 inches

Length:

2.500 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Confidential, national security agency, kw0-37/tsec, verification and alarm, reg. No. 1st side

Criticality Code Justification:

Aybm

Color:

Natural inscription

Material:

Aluminum alloy

Surface Treatment:

Anodize

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A528w0
