Width:

1.000 inches

Thickness:

0.020 inches

Length:

4.000 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Indicator horizontal situation, aqu&41a, mil&h&27848, mfr data, part no., serial no., contract no., mfd, stock no. 1st side

Color:

Black inscription background

Material:

Aluminum alloy

Material Specification:

Qq-a-250/4, alloy 2024, t3 federal specification single material response

Surface Treatment:

Lacquer

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
