Width:

1.375 inches

Thickness:

0.005 inches

Length:

3.125 inches

Attachment Method:

Adhesive

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Fuse legend no rating function fi 1/8a nor. Tty input f2 1/4a sb td step 1st side

Features Provided:

Pressure sensitive adhesive tape

Color:

Black inscription background

Material:

Aluminum

Material Specification:

Qq-a-1876 federal specification single material response

Surface Treatment:

Anodize

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
