**Width:**

1.750 inches

**Thickness:**

0.025 inches

**Length:**

4.500 inches

**Attachment Method:**

Adhesive

**Basic Shape Style:**

Rectangular

**Marking Designation:**

Legend 1st side

**Inscription:**

Brake bleed-above on brake casting-bleed center clutch similar location thruaccess hole 1st side

**Features Provided:**

Pressure sensitive adhesive tape

**Color:**

White inscription

**Material:**

Aluminum alloy

**Material Specification:**

Qq-a-250/8, alloy 5052 federal specification single material response

**Surface Treatment:**

Enamel

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A528w0
