Width:

1.250 inches

Thickness:

0.025 inches

Length:

3.500 inches

Attachment Method:

Adhesive

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Rotary hyd jointbelow-lub with mil-l-2104 1st side

Features Provided:

Pressure sensitive adhesive tape

Color:

White inscription

Material:

Aluminum alloy

Material Specification:

Qq-a-250/8, alloy 5052 federal specification single material response

Surface Treatment:

Enamel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
