Width:

20.000 inches

Thickness:

0.020 inches

Length:

Between 0.500 inches and 1.250 inches

Attachment Method:

Double flange

Basic Shape Style:

Rectangular w/slit tab

Marking Designation:

Legend

Inscription:

Assem. No.---, serial no.---, oper. Psi----.

Color:

Natural inscription

Material:

Aluminum alloy

Material Specification:

Qq-a-250/1, alloy 1100 federal specification single material response

Surface Treatment:

Anodize

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
