Width:

0.750 inches

Thickness:

0.003 inches

Length:

3.000 inches

Attachment Method:

Adhesive

Environmental Protection:

Corrosion resistant

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Graduations marked 6, 4, 3, 2, 1, film speed ft/min 1st side

Features Provided:

Pressure sensitive adhesive tape

Color:

Black inscription

Material:

Aluminum alloy

Surface Treatment:

Anodize

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
