Width:

0.620 inches

Thickness:

0.020 inches

Length:

5.500 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Decrease, friction, increase, w/directional arrows 1st side

Color:

White inscription

Material:

Aluminum alloy

Material Specification:

Qq-a-250/2, alloy 3003, h14 federal specification single material response

Surface Treatment:

Enamel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
