Width:

0.810 inches

Thickness:

0.032 inches

Length:

2.250 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular w/rounded ends

Marking Designation:

Legend 1st side

Inscription:

Partial legend, rep specification /-----/, volts /-----/, cycle /-----/, model /-----/, mfd /-----/, phase /-----/, part /-----/, serial /-----/ 1st side

Color:

Natural inscription

Material:

Aluminum alloy

Material Specification:

Qq-a-359-cancelled federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
