Width:

1.000 inches

Thickness:

0.032 inches

Length:

3.000 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Id-994-asq-67, cmea 5895-885-2013, ser &&& af33-600-40540, us, pt. No.Das5200, mfr 09975 1st side

Color:

Black inscription background

Material:

Aluminum alloy

Material Specification:

Qq-a-250/8, alloy 5052, h32 federal specification single material response

Surface Treatment:

Anodize

Surface Treatment Specification:

Mil-a-8625, type 2 military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0

Mil-std (military Standard):

Mil-a-8625 spec.
