Width:

0.600 inches

Thickness:

0.020 inches

Length:

3.000 inches

Attachment Method:

Hole

Environmental Protection:

Corrosion resistant and heat and hydrocarbon fuel and moisture resistant and salt spray resistant and weather resistant

Basic Shape Style:

Rectangular

Marking Designation:

Legend

Inscription:

Inertial navigator computer

Color:

Black inscription background

Material:

Aluminum alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
