**Width:**

0.600 inches

**Thickness:**

0.020 inches

**Length:**

3.000 inches

**Attachment Method:**

Hole

**Environmental Protection:**

Corrosion resistant and heat and hydrocarbon fuel and moisture resistant and salt spray resistant and weather resistant

**Basic Shape Style:**

Rectangular

**Marking Designation:**

Legend

**Inscription:**

Auto pilot computer

**Color:**

Black inscription background

**Material:**

Aluminum alloy

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A528w0
