Width:

6.120 inches

Thickness:

0.025 inches

Length:

7.600 inches

Attachment Method:

Hole

Environmental Protection:

Corrosion resistant and heat and hydrocarbon fuel and moisture resistant and weather resistant

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Wing attaching instructions 1st side

Color:

Black inscription background

Material:

Aluminum alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
