**Width:**

6.120 inches

**Thickness:**

0.025 inches

**Length:**

7.600 inches

**Attachment Method:**

Hole

**Environmental Protection:**

Corrosion resistant and heat and hydrocarbon fuel and moisture resistant and salt spray resistant and weather resistant

**Basic Shape Style:**

Rectangular

**Marking Designation:**

Legend 1st side

**Inscription:**

Wing attaching instructions 1st side

**Color:**

Black inscription background

**Material:**

Aluminum alloy

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A528w0
