Width:

2.938 inches

Thickness:

0.025 inches

Length:

4.500 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side and silhouette 1st side

Inscription:

1st inscription: ground pressure test vavle instructions; 2nd inscription: valve handle outline 1st side

Color:

White inscription

Material:

Aluminum alloy

Material Specification:

Qq-a-318, h34-cancelled federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
