**Width:**

1.375 inches

**Thickness:**

0.094 inches

**Length:**

1.750 inches

**Attachment Method:**

Hole

**Basic Shape Style:**

Rectangular

**Marking Designation:**

Legend 1st side

**Inscription:**

Caution high voltage 1st side

**Color:**

Red inscription

**Material:**

Plastic phenolic

**Material Specification:**

L-p-513, type pbe federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A528w0
