Width:

5.250 inches

Thickness:

0.094 inches

Length:

5.594 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend

Inscription:

Danger 2500 volts

Color:

Red inscription

Material:

Glass

Material Specification:

Mil-p-18177, type gee military specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0

Mil-std (military Standard):

Mil-p-18177 spec.
