Width:

0.650 inches

Thickness:

0.016 inches

Length:

1.520 inches

Attachment Method:

Hole

Basic Shape Style:

Semicircular

Marking Designation:

Legend 1st side

Inscription:

W/fuel gage indicator data 1st side

Color:

Black inscription background

Material:

Aluminum alloy

Material Specification:

Qq-a-250/1, alloy 1100, 0 federal specification single material response

Surface Treatment:

Anodize

Surface Treatment Specification:

Mil-a-8625, type 1 military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0

Mil-std (military Standard):

Mil-a-8625 spec.
