Width:

1.375 inches

Thickness:

0.032 inches

Length:

4.000 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Caution w/electrical power rating 1st side

Color:

White inscription

Material:

Aluminum alloy

Material Specification:

Qq-a-250/11, alloy 6061, t4 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
