Width:

0.797 inches

Thickness:

0.010 inches

Length:

1.750 inches

Attachment Method:

Adhesive

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

W/exciter, ignition data 1st side

Features Provided:

Pressure sensitive adhesive tape

Color:

Red inscription background

Material:

Aluminum alloy

Material Specification:

Ams 4001 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
