**Width:**

1.000 inches

**Thickness:**

0.004 inches

**Length:**

1.500 inches

**Attachment Method:**

Adhesive

**Basic Shape Style:**

Rectangular

**Marking Designation:**

Legend 1st side

**Inscription:**

Warning high voltage 1st side

**Features Provided:**

Pressure sensitive adhesive tape

**Color:**

Red inscription

**Material:**

Aluminum

**Material Specification:**

Qq-a-1876 federal specification single material response

**Surface Treatment:**

Varnish

**Surface Treatment Specification:**

Mil-v-173 military specification single treatment response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A528w0

**Mil-std (military Standard):**

Mil-v-173 spec.
