Width:

1.000 inches

Thickness:

0.004 inches

Length:

1.500 inches

Attachment Method:

Adhesive

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Warning high voltage 1st side

Features Provided:

Pressure sensitive adhesive tape

Color:

Red inscription

Material:

Aluminum

Material Specification:

Qq-a-1876 federal specification single material response

Surface Treatment:

Varnish

Surface Treatment Specification:

Mil-v-173 military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0

Mil-std (military Standard):

Mil-v-173 spec.
