Width:

1.880 inches

Thickness:

0.020 inches

Length:

3.250 inches

Attachment Method:

Cemented

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

W/transmission sys data 1st side

Color:

Black inscription background

Material:

Aluminum alloy

Material Specification:

Qq-a-250/11, alloy 6061, 0 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
