Width:

1.812 inches

Thickness:

0.032 inches

Length:

3.970 inches

Attachment Method:

Hole

Environmental Protection:

Hydrocarbon fuel and moisture resistant and salt spray resistant

Basic Shape Style:

Rectangular w/rounded ends

Marking Designation:

Legend 1st side

Inscription:

With oil measuring instructions 1st side

Color:

Silver inscription

Material:

Aluminum alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
