AeroBase Group

Width:

1.030 inches

Thickness:

0.020 inches

Length:

2.125 inches

Attachment Method:

Cemented

Environmental Protection:

Corrosion resistant and heat and hydrocarbon fuel and moisture resistant and salt spray resistant and weather resistant

Basic Shape Style:

Rectangular w/rounded end

Marking Designation:

Legend

Inscription:

Electro-hydraulics

Color:

Black inscription background

Material:

Aluminum alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
