Width:

0.750 inches

Thickness:

0.003 inches

Length:

1.875 inches

Attachment Method:

Cemented

Environmental Protection:

Corrosion resistant and heat and hydrocarbon fuel and moisture resistant and salt spray resistant and weather resistant

Basic Shape Style:

Rectangular w/rounded end

Marking Designation:

Legend 1st side

Inscription:

Computer subassy- 003-5, p/n 40910-304-11, stock no --- serial no --- us m fr --- 1st side

Color:

White inscription

Material:

Aluminum alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
