Width:

0.870 inches

Thickness:

0.020 inches

Length:

1.460 inches

Attachment Method:

Cemented

Environmental Protection:

Corrosion resistant and heat and hydrocarbon fuel and salt spray resistant and weather resistant

Basic Shape Style:

Rectangular

Marking Designation:

Legend

Inscription:

Wiring diagram and w/wiring diagram

Color:

White, dull border

Material:

Aluminum alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
