Width:

5.000 inches

Thickness:

0.040 inches

Length:

7.125 inches

Basic Shape Style:

Rectangular

Marking Designation:

Legend

Inscription:

Operating instructions charts 4 and 5

Color:

Black inscription background

Material:

Aluminum alloy

Material Specification:

Qq-a-250/8, alloy 5052, h34 federal specification single material response

Surface Treatment:

Anodize

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
