Width:

11.125 inches

Thickness:

0.032 inches

Length:

4.375 inches

Attachment Method:

Hole

Environmental Protection:

Carbon tetrachloride and corrosion resistant and hydrocarbon fuel and thermal shock resistant

Basic Shape Style:

Rectangular

Marking Designation:

Legend

Inscription:

Trailer-cargo-1/4 ton, model no. M416

Color:

Natural inscription

Material:

Aluminum alloy

Surface Treatment:

Anodize

Surface Treatment Specification:

Mil-a-8625, type 2, class 2 military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0

Mil-std (military Standard):

Mil-a-8625 spec.
