**Width:**

0.810 inches

**Thickness:**

0.003 inches

**Length:**

1.875 inches

**Attachment Method:**

Cemented

**Environmental Protection:**

Corrosion resistant and heat and hydrocarbon fuel and moisture resistant and salt spray resistant and weather resistant

**Basic Shape Style:**

Rectangular w/rounded end

**Marking Designation:**

Legend 1st side

**Inscription:**

Part name, part no., spec no., stock no., serial no. And mfr name 1st side

**Color:**

White inscription

**Material:**

Aluminum alloy

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A528w0
