Width:

0.625 inches

Thickness:

0.003 inches

Length:

2.000 inches

Attachment Method:

Adhesive

Environmental Protection:

Heat and hydrocarbon fuel and moisture resistant and salt spray resistant and weather resistant

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Caution, 28 v dc panel lamps 1st side

Features Provided:

Pressure sensitive adhesive tape

Color:

Red inscription background

Material:

Aluminum alloy

Surface Treatment:

Anodize

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
