**Width:**

0.625 inches

**Thickness:**

0.003 inches

**Length:**

2.000 inches

**Attachment Method:**

Adhesive

**Environmental Protection:**

Heat and hydrocarbon fuel and moisture resistant and salt spray resistant and weather resistant

**Basic Shape Style:**

Rectangular

**Marking Designation:**

Legend 1st side

**Inscription:**

Caution, 28 v dc panel lamps 1st side

**Features Provided:**

Pressure sensitive adhesive tape

**Color:**

Red inscription background

**Material:**

Aluminum alloy

**Surface Treatment:**

Anodize

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A528w0
