**Width:**

0.610 inches

**Thickness:**

0.020 inches

**Length:**

1.000 inches

**Attachment Method:**

Adhesive

**Basic Shape Style:**

Rectangular

**Marking Designation:**

Legend 1st side

**Inscription:**

Max wrench torque 25 in. Lbs 1st side

**Features Provided:**

Pressure sensitive adhesive tape

**Color:**

Red inscription background

**Material:**

Aluminum alloy

**Material Specification:**

Qq-a-250/2, alloy 3003, h14 federal specification single material response

**Surface Treatment:**

Anodize

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A528w0
