Width:

0.610 inches

Thickness:

0.020 inches

Length:

1.000 inches

Attachment Method:

Adhesive

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Max wrench torque 25 in. Lbs 1st side

Features Provided:

Pressure sensitive adhesive tape

Color:

Red inscription background

Material:

Aluminum alloy

Material Specification:

Qq-a-250/2, alloy 3003, h14 federal specification single material response

Surface Treatment:

Anodize

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
