Width:

0.625 inches

Thickness:

0.025 inches

Length:

1.750 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend

Inscription:

Regulator, oxygen, automatic diluter demand pressure breathing w/mfr identifying information

Color:

Black inscription background

Material:

Aluminum alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
