#### Width:

- 1.115 inches
- Thickness:
- 0.062 inches

### Length:

7.375 inches

#### **Basic Shape Style:**

Rectangular

#### Marking Designation:

Legend 1st side

#### Inscription:

Prepare for 1st side

#### Color:

White, translucent inscription

#### Material:

Glass and plastic

# Material Specification:

Mil-p-18177, type gee military specification 1st material response or mil-p-18177 military specification 2nd material response

# Shelf Life:

N/a

## Unit Of Measure:

--

#### Demilitarization:

No

#### Fiig:

A528w0

#### Mil-std (military Standard):

Mil-p-18177 spec.
