Inside Diameter:

0.250 inches

Material Thickness:

0.005 inches

Body Length:

0.750 inches

Inscription:

P2

Features Provided:

Legend

Color:

White inscription background

Material:

Plastic

Material Specification:

L-v-351 federal specification single material response

Style Designator:

Open side cylindrical

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A529t0
