Width:

Between 0.969 inches and 1.031 inches

Thickness:

0.003 inches

Length:

Between 1.969 inches and 2.031 inches

Attachment Method:

Hole

Environmental Protection:

Oil resistant and weather resistant

Basic Shape Style:

Rectangular

Marking Designation:

Legend single side

Inscription:

Warning do not apply any torque to power piston single side

Features Provided:

Pressure sensitive adhesive tape

Color:

Natural single side inscription background

Material:

Aluminum alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
