**Width:**

1.180 inches

**Thickness:**

0.020 inches

**Length:**

4.250 inches

**Attachment Method:**

Hole

**Basic Shape Style:**

Rectangular

**Marking Designation:**

Legend 1st side

**Inscription:**

Us, power unit, pu 629/g, kw5, cycle 60, fsn 6115-937-5555 1st side

**Color:**

Black inscription background

**Material:**

Aluminum alloy

**Material Specification:**

Qq-a-250/1, alloy 1100 federal specification single material response

**Surface Treatment:**

Anodize

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A528w0
