Width:

0.750 inches

Thickness:

0.003 inches

Length:

1.500 inches

Attachment Method:

Adhesive

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

1st inscription: pressure equalizer; 2nd inscription: open two turns; 3rd inscription: close before sealing case 1st side

Features Provided:

Pressure sensitive adhesive tape

Color:

Brown inscription

Material:

Aluminum alloy

Material Specification:

Qq-a-250/1, alloy 1100, h14 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
