Width:

1.375 inches

Thickness:

0.012 inches

Length:

1.875 inches

Attachment Method:

Adhesive

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Caution, unit must be filled, with mil-I-7808, level with correct fill boss, approx 14 fluid ounces, use external hex plug, sundstrand corporation

1st side

Features Provided:

Pressure sensitive adhesive tape and removeable protective backing

Color:

Red inscription

Material:

Aluminum alloy

Material Specification:

Qq-a-250/1, alloy 1100 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
