Width:

0.750 inches

Thickness:

0.016 inches

Length:

1.312 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Altimeter, pressure counter-pointer, ms25450-1, type mc-3, serial no. ---, mfrs part no. ---, contract no. ---, mfrs name, us 1st side

Color:

Natural inscription

Material:

Aluminum alloy

Surface Treatment:

Anodize

Surface Treatment Specification:

Mil-a-8625, type 2 military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A528w0

Mil-std (military Standard):

Mil-a-8625 spec.
