Width:

0.380 inches

Thickness:

0.003 inches

Length:

1.310 inches

Attachment Method:

Adhesive

Environmental Protection:

Corrosion resistant

Basic Shape Style:

Rectangular

Marking Designation:

Legend

Inscription:

W/mfr identifying data

Features Provided:

Pressure sensitive adhesive tape

Color:

Black inscription background

Material:

Aluminum alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
