Width:

2.250 inches

Thickness:

0.003 inches

Length:

4.500 inches

Attachment Method:

Cemented

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Partial legend nozzle, exhaust, rocket motor alignment tare dimension stock no./-----/serial no./----/part no./-----/nozzle position/-----/motor 1st side

Color:

Silver border

Material:

Aluminum alloy

Fsc Application Data:

Rocket motor

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
